

TO OUR HORSE COMMUNITY FAMILY:

It's that time of year again that we're looking forward to beautiful fall days ahead and riding our horses in the cooler, less humid weather. Peninsula Dressage is also looking forward to thinking pink and hosting our very special last show of the season to benefit Women Supporting Women. On **Saturday, October 2nd, 2021, at WinAway Farm in Willards MD**, Peninsula Dressage will be offering the **Thirteenth Annual "Women Supporting Women" Dressage Show** to benefit our local Eastern Shore breast cancer information & support agency. All proceeds will be donated to Women Supporting Women, so you can have fun showing while knowing you are supporting this important cause. We're asking everyone's help for sponsoring, donating and just spreading the word about this benefit show. There are many different options available for sponsoring the show. You can be listed as a "**Prix St. George**" sponsor for a **minimum donation of \$25**; for donations of **\$26 to \$100**, you will be listed as an "**Intermediare**" sponsor, and **for any donations over \$100 you will be listed as a "Gran Prix Sponsor" which includes a business card ad (monetary donations only for business card ad) in our Club Newsletter.**

All donor names and levels of sponsorship will be listed in both the Peninsula Dressage and Women Supporting Women Newsletters. This is a wonderful way to get your name out to many equestrians in the community as well as to support a worthy cause. There will be a prize for the individual who raises the most money. We've all helped to build this show over the years, and we hope to make our Thirteenth show a lucky one for raising lots of money to help Women Supporting Women!

Please make **your tax deductible checks out to Women Supporting Women**, and mail to: **Amy Schine, 24965 Rivermere Drive, Eden, MD 21822**, and forward this message to anyone that you think might be interested in participating,

For more information about donations, please contact Amy Schine: **amys@geried.com/410-430-8267**. Thank you again for your support of women on the Eastern Shore coping with breast cancer. We can all make a difference!

*Please note that online entries and entry forms will soon be available on our Peninsula Dressage web site when the show opens. Jenny Mlyniec is the show manager: odeon_tamuro@yahoo.com
